

The image shows a vinyl side cutting template. It consists of a solid black inner line and a dotted black outer line. The shape is a rectangle with a rounded top-left corner. The solid line is closer to the final size, while the dotted line provides a margin for error. The text is centered in the middle of the template.

VINYL SIDE CUTTING TEMPLATE

SOLID INNER LINE IS CLOSE TO FINAL SIZE
CUTTING ON DOTTED LINE WILL GIVE YOU SOME MARGIN FOR ERROR
CUT 2 PIECES OF VINYL WITH THIS TEMPLATE
